## NATIONAL LIVESTOCK MISSION

Posted On: 04 FEB 2025 5:22PM by PIB Delhi

Food Safety and Standards Authority of India FSSAI has specified Standards for non-bovine milk (Goat, Camel and Sheep milk) in sub-regulation 2.1.2 of Food Safety and Standards (Food products Standards and Food Additives) Regulation, 2011 ([https://fssai.gov.in/upload/uploadfiles/files/2\\_%20Chapter%202\\_1%20\(Dairy%20products%20and%20analogues\).pdf](https://fssai.gov.in/upload/uploadfiles/files/2_%20Chapter%202_1%20(Dairy%20products%20and%20analogues).pdf))

The Department of Animal Husbandry and Dairying, Government of India, is implementing the National Livestock Mission (NLM) since 2021. The scheme is being implemented across the country. Under the entrepreneurship component of the scheme, NLM-Entrepreneurship Development Programme (NLM-EDP), a 50% capital subsidy, up to ₹50 lakh, is provided for the establishment of poultry, sheep, goat, pig, horse, camel, and donkey breeding farms, as well as feed and fodder units. Eligible entities include individuals, Farmer Producer Organizations (FPOs), Self-Help Groups (SHGs), Joint Liability Groups (JLGs), Farmer Cooperative Organizations (FCOs), and Section 8 companies. The details of the unit sizes eligible under the NLM Entrepreneurship Development Programme (NLM-EDP) are provided in Annexure-I.

The subsidy amounts provided to individuals, FPOs, FCOs, SHGs, JLGs, and other stakeholders under this scheme at the national level, in Uttar Pradesh, and in the Sonapat District of Haryana are detailed in Annexure-II.

In Uttar Pradesh, 145 NLM-EDP projects have been approved, with a total sanctioned subsidy of ₹32.91 crore. This initiative has generated employment for 846 individuals and benefited 5,978 farmers. It is also expected to contribute to an annual fodder production capacity of 28,000 MT, supporting the induction of 30,371 livestock and 2,200 poultry birds into the system. Detailed information is provided in Annexure-III.

In Haryana, 13 NLM-EDP projects have been approved under the scheme, with a total sanctioned subsidy of ₹4.06 crore. This initiative has generated employment for 62 individuals and positively impacted 144 farmers. Additionally, the approved projects will contribute to an annual fodder production capacity of 2,400 MT and support the induction of 3,940 livestock and poultry birds into the system. Further details are provided in Annexure-IV.

The objective of the National Livestock Mission (NLM) scheme is to increase the per animal productivity, genetic improvement and availability of quality feed and fodder. Further, the breed multiplication farm which are funded under the NLM-EDP programme will provide the farmers with improved germplasm which in turn will increase the productivity. The silage plants established by the entrepreneurs would help in getting affordable fodder for the small holding livestock farmers and also encourage the local farmers to take up cultivation of fodder. Therefore, in long term, the benefit accrued under NLM-EDP programme will help in enhancing the livestock productivity.

### Annexure-I

The following activities of different unit size are eligible under NLM Entrepreneurship Scheme:

- i. Establishment of Parent Farm, Hatchery, brooder cum mother unit of Rural poultry birds with minimum 1000 parent layers for production of Hatching Eggs and Chicks.

Poultry Unit Size (Female + Male)	Max amount of capital subsidy
1000 + 100	₹25 lakhs

- ii. Establishment of sheep and goat breeding farm with minimum 100 female and 05 male and in its multiple as follows.

Goat/ Sheep Unit Size (Female + Male)	Max amount of capital subsidy
100 +5	₹10 lakhs
200+10	₹20 lakhs
300+15	₹30 lakhs
400+20	₹40 lakhs
500+25	₹50 lakhs

- iii. Establishment of Pig breeding farm with minimum 50 sow and 05 boar and 100 females and 10 males. The maximum subsidy ceiling for different components varies from Rs. 15.00 lakh to Rs. 30.00 lakh.

Pig Unit Size (Female + Male)	Max amount of capital subsidy
50 Sows + 5 Boars	₹15 lakhs
100 Sows + 10 Boars	₹30 lakhs

- iv. Establishment of fodder value addition units such as preparation of Hay/Silage/Total Mixed Ration (TMR)/ Fodder Block and storage of fodder. The maximum subsidy ceiling is Rs. 50.00 lakh.

- v. Establishment of Camel, Horse and Donkey breeding farm

Horse Unit Size (Female + Male)	Max amount of capital subsidy
10 mare/broodmare + 2 stallion	₹50 lakhs

Donkey Unit Size (Female + Male)	Max amount of capital subsidy
----------------------------------	-------------------------------

50 female+ 5 Male	₹50 lakhs
-------------------	-----------

CamelUnit Size (Female + Male)	Max amount of capital subsidy
10 female + 1 male (for pastorals)	₹3 lakhs
10 female + 1 male	₹5 lakhs
50 female + 5male	₹25 lakhs
100 female + 10male	₹50 lakhs

**Annexure II****Details of subsidy approved under NLM-EDP to the farmers, FPO, FCO, SHG, JLG in Uttar Pradesh and India:**

States	Individual	Cooperatives	FPO	FCO	SHG	Section 8	JLG	Total Approved Subsidy (Rs. In Cr)
